**Position Title:** Automotive Calibration Technician

**Hours of Work:** Mon-Fri 9-5:30

**Job Status:** Full Time, Local candidates

### **Position Overview**

We are a growing business and you will be expected to “wear many hats” and participate in any of our business tasks if there is a need. An individual who is self-motivated and driven to deliver excellent results will thrive in this environment. The position will include but not be limited to the following tasks.

- The main roles for this position revolve around building performance engine calibrations (tunes) for our customers and providing support for these calibrations. The calibrations are built using desktop software according to established guidelines and the information and vehicle data provided by the customer.
- The candidate would also be responsible for interpreting vehicle data, making calibration changes, and answering questions from customers via e-mail, social media, or telephone.
- The candidate would be required to travel to our Blaine, WA warehouse on a weekly basis to pick up items and bring them through customs.
- The candidate would be involved in helping assemble in-house built products using basic hand tools and preparing these for shipment to customers.

### **Knowledge and Skills**

- Proficient with Microsoft Office (Excel, Word, Outlook)
- Proficient with analyzing and understanding graphs, data
- Strong ability and willingness to learn and adapt to a fast moving environment
- Interest in automotive performance
- Strong team player and team work abilities
- Ability to use simple hand tools

### **Education and Experience**

- Completion of Grade 12 or equivalent supplemented by at least 1 year of post-secondary education. A combination of related training, education, and experience may be considered.
- Customer service experience an asset
- Automotive experience an asset

### **Licenses and Certifications**

- Hold a valid BC driver license
- Hold a valid Canadian passport and have no restrictions on travel to the US
- Drive personal vehicle to work

### **Compensation Depends on Applicable Experience**
